CII Delhi Education Summit 2026

Delhi 2030: Building the Global Knowledge Capital

The CII Delhi Education Summit 2026 brought together 150+ delegates and around 15 speakers from government, industry and academia, bringing together diverse perspectives on shaping Delhi into a global knowledge capital. Addressing the summit, the Hon'ble Minister Shri Ashish Sood, Minister of Education, Higher Education, Training & Technical Education, Home, Power and Urban Development, Government of NCT of Delhi, outlined the Government's focus on strengthening the education ecosystem through quality learning, modern school infrastructure, vocational training and closer alignment between skills and employment opportunities.

The Summit featured deliberations on key priorities for the future of education, including the integration of artificial intelligence in learning, strengthening the school-to-university transition, and the proposed Delhi Private Universities Act. Discussions also highlighted the need to deepen industry–academia partnerships, promote research and innovation, expand career pathways, and align curricula with emerging industry requirements. The importance of responsible technology adoption, green schools and sustainable educational infrastructure also emerged as key themes, reinforcing the need for sustained collaboration between government, industry and educational institutions to build an inclusive, future-ready and globally competitive education ecosystem for Delhi.
